# GENERAL INFORMATION

## Blue Mountain Vinyl - Why it's the best choice to protect your most valued assets

Providing you with the best quality vinyl fencing to last a lifetime, Blue Mountain Vinyl is also made in the USA and locally fabricated in central Pennsylvania.

When considering a fence for your yard, quality and durability should be at the top of your list. Choosing premium materials and expert installation can ensure this home improvement is worth the investment.

Blue Mountain Vinyl is:

- Certified by the Vinyl Manufacturers Association as 100% Pure Virgin Vinyl
- ASTM F964-13 Compliant
- Made in the USA
- Built with steel rail inserts in most styles
- Carries a limited lifetime warranty
- Offered in an array of colors and styles including wood look

## Gates and Hardware

Industry leading gates offering structural integrity designed to match your fence. Gates are offered as a standard to blend with your fence or can be customized to become a focal point in your design.

Gate hardware is an important part of your project, Blue Mountain Vinyl offers tried-and-true hardware to best match your project.

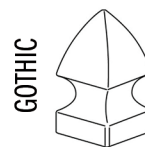

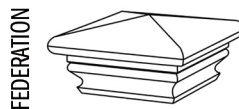

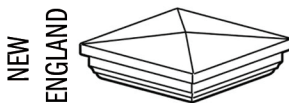

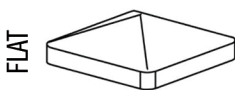

## Transitional Panel Options

Having a 6' high fence and a 4' high fence in the same yard is seamless and the transition can be simple or decorative.

Available in all styles, heights and configurations, a transition post can be used for aesthetics, grade changes or to transition from one style to another. We can help you design your desired look.
